TRAVEL DOCUMENTS: A valid U.S. Passport is required by the Immigration Authorities. If you aren't a U.S. Citizen, you may need further identification. Call your local passport office or consulate. ***PLEASE NOTE: Countries are now requiring your passport to be valid 6 MONTHS PAST YOUR EXPECTED RETURNED DATE. (This just changed recently).*** You are responsible for having all complete valid documents required. ***Please take the time and check your passport now.***

FLIGHT INFORMATION: All flight names and numbers are indicated on your itinerary. It is a good idea to leave a copy of your itinerary with a family member or friend. Please note that it is necessary to arrive at the airport no less than **THREE HOURS prior to departure** to allow sufficient time for check in.

Please note: We strongly suggest that you make 2 copies of your passport page with your photo and the passport number. Leave one copy at home and have the other one with you while travelling, keeping it in a different place than your actual passport.

CHECK-IN: Although we send your seating requests to the airlines, we cannot guarantee them, as you are traveling on a group ticket. By arriving early at the airport, you can reconfirm your requests at the check-in desk, and, if necessary and if possible, make changes.

NAME BADGE: We have enclosed 1 Durgan Travel Service name badge per person. Print your name in large block letters with a ballpoint or felt-tip pen (be sure to let the ink dry). Please wear your name badge to the airport and at least the first full day of touring and social functions. The name badge can be worn as a pin or pocket clip.

BAGGAGE ALLOWANCE: You will find **2 BLUE baggage tags** per person enclosed in your documents. Be sure to carefully attach these to your luggage prior to your departure for the airport. Print your name and address on each tag. FREQUENT FLYER PROGRAMS: If you are interested in receiving information about the individual program please call Azores Airlines. Airlines do not always give miles points on group tickets. Keep all ticketing documents until your miles are credited.

PRECAUTIONS: Due to heightened security precautions, it is advisable that you pack any of the following classes of items in your checked bag, rather than your carry-on. This will speed your time at the security checkpoint. Items to avoid in your carry-on luggage: scissors, razor blades, aerosol cans, nail clippers, cutlery, knives, syringes (unless you have a doctor's note that you need it on the plane), knitting needles, corkscrews, and any sports equipment that could be used as a weapon (i.e. – golf clubs, baseball bat, pool cue, etc.). If in doubt, pack in the items in question in your checked piece of luggage.

NOTE: All of your baggage will be screened and possibly hand-searched. Here are some helpful tips:

Keep all checked bags unlocked to permit security personnel to open bags, if needed. Use cable or zip ties as an alternative to baggage locks. Put footwear on top of other contents within your baggage and personal belongings in clear plastic bags. Store all valuable items in your carry-on bag. Undeveloped film should also be stored in carry-on luggage to prevent possible damage during screening. Refer to www.TSATravelTips.us prior to leaving home for a list of prohibitive items in checked and carry-on baggage.

All medications should be kept in the original containers (if possible) in CARRY-ON BAGS Do NOT check medication.

Please follow the 3-1-1 rule for Carry-Ons: Use 3 ounce or smaller containers of liquid or gel sealed in a 1 quart sized clear plastic zip-top bag, 1 bag per passenger.

INSURANCE: Durgan Travel Service cannot assume responsibility for damaged baggage or loss of luggage. Please note that you are traveling on a group ticket. If for any reason you were unable to return with the group, you would be responsible for paying extra airfare applicable at the time of travel, as well as any transfers involved. If you cancel your trip, either before departure or once the tour has commenced, the unused portions of the tour will be refunded only if you purchased travel insurance prior to departure AND only if the cancellation meets the provisions of your travel protection contract. To be covered, you must have completed and mailed in an application before the tour.

TELEPHONE: As an added service, we have included the access codes to help place your calling card calls from abroad to the United States. Dial the access code listed below for your service provider. Once connected, follow the instructions you will be given.

Remember that you do not need to dial the 1 before the area code, once you have reached your provider. For AT&T dial:172 1011/
For US Sprint dial:172 1877

VALUE ADDED TAX: VAT is value-added tax. Many countries have this tax. It is sometimes referred to as Goods and Services Tax (GST). If you are a visitor to a country that has VAT, you may be entitled to get your VAT amount back for a purchase when you leave the country. You should take care of this at the airport where you check in for your flight home. Also, you need to have the items you purchased with you. Be sure to ask the airline check in agent where the Value Added Tax desk is located.
