- **PRECAUTIONS:**
Visit <https://www.tsa.gov/travel/security-screening> for the most up to date list of prohibited items in baggage. Due to heightened security precautions, it is advisable that you pack any of the following classes of items in your checked bag, rather than your carry-on. This will speed your time at the security check point. Items to avoid in your carry-on luggage: scissors, razor blades, aerosol cans, nail clippers, cutlery, knives, syringes (unless you have a doctor's note that you need it on the plane), knitting needles, corkscrews, and any sports equipment that could be used as a weapon (i.e. - golf clubs, baseball bat, pool cue, etc.). If in doubt, pack in the items in question in your checked piece of

luggage.

NOTE: *All of your baggage will be screened and possibly hand-searched.* Here are some helpful tips: Keep all checked bags unlocked to permit security personnel to open bags, if needed. Use cable or zip ties as an alternative to baggage locks. Put footwear on top of other contents within your baggage and personal belongings in clear plastic bags. Store all valuable items in your carry-on bag. Undeveloped film should also be stored in carry-on luggage to prevent possible damage during screening.

- **INSURANCE:** Durgan Travel Service cannot assume responsibility for damaged baggage or loss of luggage. Please note that you are traveling on a group ticket. If for any reason you were unable to return with the group, you would be responsible for paying extra airfare applicable at the time of travel, as well as any transfers involved. If you cancel your trip, either before departure or once the tour has commenced, the unused portions of the tour will be refunded only if you purchased travel insurance prior to departure AND only if the cancellation meets the provisions of your travel protection contract. To be covered, you must have completed and mailed in an application before the tour.
- **TELEPHONE:** As an added service, we have included the access codes to help place your calling card calls from abroad to the United States. Dial the access code listed below for your service provider. Once connected, follow the instructions you will be given. Remember that you do not need to dial the 1 before the area code, once you have reached your provider. For AT&T dial: 172 1011/ For US Sprint dial: 172 1877
- **VALUE ADDED TAX:** VAT is value-added tax. Many countries have this tax. It is sometimes referred to as Goods and Services Tax (GST). If you are a visitor to a country that has VAT, you may be entitled to get your VAT amount back for a purchase when you leave the country. You should take care of this at the airport where you check in for your flight home. Also, you need to have the items you purchased with you. Be sure to ask the airline check in agent where the Value Added Tax desk is located.

THANK YOU FOR TRAVELING WITH DURGAN TRAVEL SERVICE!
